Would you or your company be interested in sponsoring our Troy High School 2016–2017 boys and girls dance program? We are excited about our upcoming year and would like to continue building our nationally ranked "Red Hots" Dance Teams, but we need your help. For as little as a \$150 tax deductible donation, your donation will assist our dancers as they embark on many adventures to represent Troy High School at various performances for the school, local competitions in and around Southern California and beyond!

This is an excellent opportunity for your company to promote your business at a very reasonable rate. Your company will be mentioned in our website and other social media outlets during the entire 2016 - 2017 dance season.
